ORDERING

- Each product style consists of a part number and a type code.
- Certain product styles are available also in miniature design and value optimized versions.
- How to select your desired product:
  - Select style from featured pictures.
  - Select type by choosing appropriate type code for required thread and/or tubing dimension (OD).

⏱ Ready for dispatch from the Festo factory in 24 hours

Automation for a world in motion.

Push-in Fittings and Connectors Metric

The convenient Festo range of push-in fittings and connectors offer you the latest connection technology for shorter assembly times.

ORDERING

- Each product style consists of a part number and a type code.
- Certain product styles are available also in miniature design and value optimized versions.
- How to select your desired product:
  - Select style from featured pictures.
  - Select type by choosing appropriate type code for required thread and/or tubing dimension (OD).

NPQH metal push-in fittings - Brass, chemically nickel-plated
